

## **Temporary Dataset Download: Land degradation debt**

ID	123582
Date - Time	Sat, 01/10/2026 - 10:42
Name of User	Nishanka Buragohain
Organization	Student
Type of Organization	Research Organization
-- Other	
E-mail	nickgohain2@gmail.com
Purpose	I need this data for various geospatial analysis
Notes	

### Notifications:

1. The data provided has been prepared for use by internal research activities in the Joint Research Centre (JRC, Ispra) in collaboration with ETH Zurich, University of Pavia, UK Centre for Ecology and Hydrology and Crother Lab (ETHZ). The work contributes to the Sustainable Development Goals (SDG) Land Degradation Neutrality indicator 15.3.1.
2. The data were developed for research purposes of the JRC (European Commission). The JRC and other partners do not accept any liability whatsoever for any error, missing data or omission in the data, or for any loss or damage arising from its use. The JRC agrees to provide the data free of charge but is not bound to justify the content and values contained in the databases.
3. The permission to use the data specified above is granted on condition that, under NO CIRCUMSTANCES are these data passed to third parties. They can be used for any purpose, including commercial gain.
4. The user agrees to:
  - a) Make proper reference to the source of the data when disseminating the results to which this agreement relates;
  - b) Participate in the verification of the data (e.g. by noting and reporting any errors or omissions discovered to the JRC).
