|----------------------|--|
| ID                   | 124814   |
| Date - Time          | Mon, 02/09/2026 - 08:36  |
| Name of User         | Muscolo  |
| Organization         | Università Mediterranea  |
| Type of Organization | University   |
| -- Other             |  |
| E-mail               | amuscolo@unirc.it  |
| Purpose              | use in the Project Propollsoil to find a relation on soil properties and pollinator nest |
| Notes                |  |

### Notifications:

1. The data have been prepared for use by the Land Resource Management Unit (Institute for Environment & Sustainability) of the Joint Research Centre (JRC) of the European Commission.
2. The data provided has been prepared for use by internal research activities in the Land Resource Management Unit of the Institute for Environment & Sustainability, JRC Ispra.
3. The data were developed for research purposes of the JRC only and not for any other activity. The JRC does not accept any liability whatsoever for any error, missing data or omission in the data, or for any loss or damage arising from its use. The JRC agrees to provide the data free of charge but is not bound to justify the content and values contained in the databases.
4. The permission to use the data specified above is granted on condition that, under NO CIRCUMSTANCES are these data passed to third parties. They can be used for any purpose, including commercial gain.
5. The user agrees to:
  - a) Make proper reference to the source of the data when disseminating the results to which this agreement relates;
  - b) Participate in the verification of the data (e.g. by noting and reporting any errors or omissions discovered to the JRC).
