

[Temporary Dataset Download: Soil microbial biomass and respiration](#)

ID	127244
Date - Time	Tue, 03/31/2026 - 08:45
Name of User	Armin Graf
Organization	Climcycle Solutions GmbH
Type of Organization	Private Company
-- Other	
E-mail	armin.graf@climcycle.com
Purpose	Development of an ESG Tool to assess Biodiversity Impacts and Dependencies
Notes	

Notifications:

1. The data provided has been prepared for use by internal research activities in the Joint Research Centre (JRC, Ispra).
2. The data were developed for research purposes of the JRC (European Commission). The JRC and other partners do not accept any liability whatsoever for any error, missing data or omission in the data, or for any loss or damage arising from its use. The JRC agrees to provide the data free of charge but is not bound to justify the content and values contained in the databases.
3. The permission to use the data specified above is granted on condition that, under NO CIRCUMSTANCES are these data passed to third parties. They can be used for any purpose, including commercial gain.
4. The user agrees to:
 - a) Make proper reference to the source of the data when disseminating the results to which this agreement relates;
 - b) Participate in the verification of the data (e.g. by noting and reporting any errors or omissions discovered to the JRC).
