Temporary Dataset Download: Phosphorus budget and P stocks

ID	129107
Date - Time	Fri, 05/15/2026 - 13:51
Name of User	Kim Leban
Organization	Institute for Water of the Republic of Slovenia
Type of Organization	Public Administration (Ministries, Agencies, Municipalities, ...)
-- Other	
E-mail	kim.leban@izvrs.si
Purpose	Data will be used for Analysis of Pressures and Impacts of Surface waters within the framework of River Basin Management Planning in Slovenia
Notes	

Notifications:

1. The data provided has been prepared for use by internal research activities in the Joint Research Centre (JRC, Ispra) in the context of Integrated Nutrient Management Action Plan (INMAP) project.
2. The data were developed for research purposes of the JRC (European Commission). The JRC and other partners do not accept any liability whatsoever for any error, missing data or omission in the data, or for any loss or damage arising from its use. The JRC agrees to provide the data free of charge but is not bound to justify the content and values contained in the databases.
3. The permission to use the data specified above is granted on condition that, under NO CIRCUMSTANCES are these data passed to third parties. They can be used for any purpose, including commercial gain.
4. The user agrees to:
   a) Make proper reference to the source of the data when disseminating the results to which this agreement relates;
   b) Participate in the verification of the data (e.g. by noting and reporting any errors or omissions discovered to the JRC).
