

[Temporary Dataset Download: Net erosion and sediment transport using WaTEM/SEDEM \(for EU\)](#)

ID	129534
Date - Time	Wed, 05/27/2026 - 15:24
Name of User	Miroslav Kandra
Organization	Water Research Institute, Bratislava, Slovakia
Type of Organization	Public Administration (Ministries, Agencies, Municipalities, ...)
-- Other	
E-mail	miroslav.kandra@vuvh.sk
Purpose	Input data to national model of nutrients in surface waters and to national model of hazardous substances in surface waters
Notes	

Notifications:

1. The data provided has been prepared for use by internal research activities in European Soil Data Centre (Sustainable Resources Directorate, JRC Ispra) in the context of developing the new Soil Loss Map by water erosion of Europe .
2. The data were developed for research purposes of the JRC (European Commission). The JRC does not accept any liability whatsoever for any error, missing data or omission in the data, or for any loss or damage arising from its use. The JRC agrees to provide the data free of charge but is not bound to justify the content and values contained in the databases.
3. The permission to use the data specified above is granted on condition that, under NO CIRCUMSTANCES are these data passed to third parties. They can be used for any purpose, including commercial gain.
4. The user agrees to:
 - a) Make proper reference to the source of the data when disseminating the results to which this agreement relates;
 - b) Participate in the verification of the data (e.g. by noting and reporting any errors or omissions discovered to the JRC).
