Accessibility statement

This statement applies to content published on the domain: 'https://esdac.jrc.ec.europa.eu'

It does not apply to other content or websites published on any of its subdomains. These websites and their content will have their own specific accessibility statement.

This website is managed by European Commission Joint Research Centre. It is designed to be used by as many people as possible, including people with disabilities.

You should be able to:

- e.g. zoom up to 200% without problems
- navigate most of the website using just a keyboard
- navigate most of the website using a modern screen reader and speech recognition software (on your computer or phone)

This website is designed to comply with the technical standard for websites and mobile apps, EN 301 549 v.3.2.1. This closely follows level ‘AA’ of the Web Content Accessibility Guidelines (WCAG) version 2.1.

Compliance status

This website is partially compliant with technical standard EN 301 549 v.3.2.1 and the Web Content Accessibility Guidelines (WCAG) 2.1 Level AA. See ‘Non-accessible content’ for more details.

The website was last tested on 20 March 2023.

Preparation of this statement

This statement was reviewed on 31 March 2023.

This statement was prepared on 31/03/2023, based on a review done by the automated tool Axe Monitor. Feedback

We welcome your feedback on the accessibility of the European Soil Data Centre (ESDAC) website. Please let us know if you encounter accessibility barriers:

- Phone: +39 033278-5574
• E-mail: EC-esdac@ec.europa.eu

We try to respond to feedback within 15 business days from the date of receipt of the enquiry by the responsible Commission department.

**Compatibility with browsers and assistive technology**

The European Soil Data Centre (ESDAC) website is designed to be compatible with the following assistive technologies:

- the latest version of Microsoft Edge, Google Chrome, Mozilla Firefox and Apple Safari browsers;
- in combination with the latest versions of JAWS, NVDA, VoiceOver and TalkBack.

**Technical specifications**

The accessibility of the European Soil Data Centre (ESDAC) website relies on the following technologies to work with the particular combination of web browser and any assistive technologies or plugins installed on your computer:

- HTML
- WAI-ARIA
- CSS
- JavaScript

**Non-accessible content**

Despite our best efforts to ensure accessibility of the European Soil Data Centre (ESDAC) website, we are aware of some limitations, such as missing alternative descriptions on some images, which will be fixed by the end of 2023.
