#### **EDUCATORS TRAINING AGENDA**

for the environmental sustainability

Program 2017-2019

#### **EDUCATORS TRAINING AGENDA**

for the environmental sustainability

### 5 October 2017, from 10 to 16

# **SOIL:** know the resource to save our future

Sala Poggioli, Terza Torre Regione Emilia Romagna. Viale della Fiera, 8 Bologna

- We will know the "resource" soil, we will see what the soil does, and its importance in the earth ecosystem
- We will understand what happens when we loose this resource
- We will start together the building of a didactic path for primary and secondary school

## Regional Sustainability education system

# CheTerraPesti (bi)Weekly #46,

# The earth beneath your feet - A soil magazine

a world of soil...

fmalucelli@arpae.it

## World Soil Day Bruxelles

# Il Suolo è vita!

Entità da preservare, migliorare e consegnare alle generazioni future.

Istituto Italiano di Cultura – Bruxelles 5 December 2015 (19.30 – 21.30)

## Regional Sustainability education system

# Thank you
