

Karte 1: Die Klimagebiete Europas
Map 1: Climatic Areas of Europe

Subpolar to boreal climate

- 1.1 Subpolar climate
- 1.2 Subpolar to boreal oceanic climate

Boreal climate

- 2.1 Boreal oceanic climate
- 2.2 Boreal continental climate
- 2.3 Boreal mountainous climate

Boreal to temperate climate

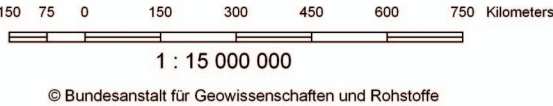

- 3.1 Boreal to temperate oceanic climate
- 3.2 Boreal to temperate sub-oceanic climate
- 3.3 Boreal to temperate sub-continental climate
- 3.4 Boreal to temperate continental climate
- 3.5 Boreal to temperate mountainous climate

Temperate climate

- 4.1 Temperate to warm temperate oceanic climate
- 4.2 Temperate to warm temperate oceanic up to temperate sub-oceanic climate, partly sub-mediterranean climate
- 4.3 Temperate oceanic to temperate sub-oceanic climate
- 4.3.1 Temperate oceanic to temperate sub-oceanic climate influenced by mountains
- 4.4 Temperate sub-oceanic climate
- 4.4.1 Temperate sub-oceanic climate influenced by mountains
- 4.5 Temperate sub-oceanic to temperate sub-continental climate
- 4.5.1 Temperate sub-oceanic to temperate sub-continental climate influenced by mountains
- 4.6 Temperate to warm temperate sub-continental climate, partly arid
- 4.6.1 Temperate sub-continental climate influenced by mountains
- 4.7 Temperate sub-continental to temperate continental climate, partly arid
- 4.8 Temperate continental and steppic arid climate
- 4.8.1 Temperate continental climate influenced by mountains
- 4.9 Temperate mountainous climate

Mediterranean climate

- 5.1 Mediterranean to warm temperate sub-oceanic climate
- 5.2 Mediterranean to warm temperate mountainous climate
- 5.3 Mediterranean to warm temperate oceanic climate
- 5.4 Mediterranean sub-oceanic climate
- 5.4.1 Mediterranean sub-oceanic climate influenced by mountains
- 5.5 Mediterranean sub-oceanic to mediterranean sub-continental climate
- 5.5.1 Mediterranean sub-oceanic to mediterranean sub-continental climate influenced by mountains
- 5.6 Mediterranean sub-continental to mediterranean continental climate, partly semiarid to arid
- 5.7 Mediterranean to subtropical climate, partly semiarid
- 5.7.1 Mediterranean to subtropical climate influenced by mountains
- 5.8 Mediterranean mountainous climate
