

Global Soil Partnership upcoming outputs

No	Task	Responsible members (ITPS/ GSP Secretariat/ other)	Deadline of Response
2	Soil Pollution Guidelines	Ms. Natalia Rodriguez Eugenio and the ITPS Pollution Working Group	22 nd October 2018
3	Feedback on the concept note for the Global Symposium on Soil erosion 2019	Erosion WG	26 October 2018 (Urgent)
4	Support the writing of the working documents for the symposium	Erosion WG	28 February 2019
5	Suggestions for Soil salinity map	Salinity map WG	26 th of October 2018
6	Feedback for global soil organic carbon sequestration potential	Organic carbon WG	By end of November 2018
7	Review of the Soil Doctors Global Programme Materials	All but focus on Pillar2 WG	15 th November 2018
8	Review the questionnaire to be sent out to countries to feed the global assessment on soil pollution	All but focus on Pollution WG	November 2018
9	Review of technical manual on soil organic carbon management at the national and local scale	Organic carbon WG	By end of January 2019
10	Feedback for the concept note for an economical assessment on sustainable soil management	Pillar 1 WG	December 2018 (on the next steps)
11	Feedback for a protocol to assess if a given soil management practices is in line with the definition of sustainable soil management as given by the ITPS in 2015 in coordination with 1 to 5	All but focus on Pillar 1 WG	January 2019

	to develop relevant indicators.		
12	Review of concept note for the global assessment of black soils	All	March 2019.
13	Suggestion for the concept note for the Global Symposium on Soil Biodiversity 2020	Biodiversity WG	Mid-March 2019
14	Report of the Status of Knowledge on Soil Biodiversity	Biodiversity WG	End of February 2019
15	Review the report on the Global Status of Black Soils.	All	By December 2019.
16	SoilSTAT Concept Note	All	Mid-February 2019
17	Pillar 3 work – Online platform	All	January 25 th (for the decision on the interest) 2019
18	Review and comment on questionnaire and outline of the report on the global status and regional trends of soil pollution	Pollution WG	1 February 2019
19	Facilitate the communication between GSP and Circasa projects (If applicable)	Collaboration with CIRCASA	By February 2019.
-	Feedback for the creation of a Concept note of the white (salt affected soil) soil partnership	All with Dr. Kutaiba (initiative by M. Hassan)	--
-	Facilitate the communication between GSP and Sircasa projects (If applicable)	Dr. Maria Konyushkova	-
